Political Sign Requirements

2010

- No Political Signs may be placed within any road right of way (typically that would be closer to the road than the telephone poles).
- No signs may be placed at any public facility, such as around the Clocktower or any Township Parks.
- Permission to place a sign on private property must be obtained from the owner of that property.
- Signs should be placed in a location that does not create a sight problem for automobiles, again, only on private property.
- There are no limits on the number of signs that may be placed by a candidate or limits on the number of signs in any one yard.
- There are no sign size limitations.
- Signs may be placed any time before the election and should be removed as soon as possible after the election.
